

INTERNAL REGULATIONS

1. Reception formalities are to be completed on the arrival of each crew. Each adult member will be asked to supply a non-expired identity document. The management reserves the right to keep at least one identity document for each individual crew until their departure
2. **The installation bays are allocated by the management; any subsequent change must be authorized.**
3. The tariffs are charged per night. For crews departing after 12.00 hours the following day will also be included (regardless of the time of arrival).
4. Dogs are accepted as long as they have been properly vaccinated and are always kept on a lead. The owners must ensure that they cause no disturbance or nuisance to others and create no problems regarding proper behaviour and hygiene of the accommodation. **It is pointed out that infringements of the regulations concerning the use of a lead (always) and the cleanliness of the animals will involve immediately leaving the campsite.**
5. The management assumes third party liability for persons and objects only within the limits, conditions and risks established by the insurance company with which the Camping Site has taken out the appropriate policy; the same can be seen at reception. In accordance with international agreement, damage caused to cars is excluded since these are already covered by obligatory vehicle insurance.
6. Relatives, friends and visitors in general may have access to the camp site after authorization by the Management and after an identity document has been handed over. The management reserves its right to check the identity of persons present at the camp site at any time.
7. The management reserves the right to demand payment for any damage or broken objects when checking before the departure of guests.
8. Vehicles driving inside the camp site must adhere to a maximum speed of Km 10/h.
9. **It is absolutely forbidden to :**
 - light fires in the bays;
 - damage plants, flowers or the equipment of the complex;
 - make any noise between 24.00 hours and 7:00 hours or between 14.00 and 15.00, avoiding any activities that could disturb neighbours' rest;
 - enter or drive around in motor vehicles inside the camp site during rest hours, i.e. 24:00 – 07:00 and 14:00 – 15:00 hours.
 - It is recommended that during the timetables indicated above, the entry bar will be lowered and vehicles will have to be left in the appropriate parking spaces.
 - It is pointed out that in the event of continued failure to comply with the provisions of the last two points of this article, it will be necessary to leave the campsite immediately.
10. **It is highly recommended that:**
 - a. maximum cleanliness be maintained in the toilets, washbasins and all other hygiene facilities;
 - b. chemical toilets kept in caravans be emptied into the specific place indicated by signposts and not in the general toilets;
 - c. children under 6 years of age be accompanied to the toilet facilities;
 - d. **dishes, clothes or anything else be not washed in the wash basins reserved for personal cleanliness;**
 - e. water be used in the proper amounts and not for washing cars, caravans, etc.;
 - f. papers and solid waste be placed in the specific containers outside the camping site.
11. **Swimming pool regulations:**
 - a. the swimming pool use is allowed between 10:00 and 19:00 hours;
 - b. it is not obligatory to wear a swimming cap;
 - c. non-swimmers should so advise the swimming pool attendant.
 - d. Shouting is forbidden
 - e. **Diving is forbidden**
 - f. The usage of inflatables is forbidden inside the swimming pools
 - g. In case of rain the Life Guard service will not be guaranteed.
12. Staying at the campsite implies full acceptance of the following regulations. Not knowing the rules contained therein is not acceptable as an excuse; non-compliance will lead to taking any measures that become necessary, not least the requirement to leave the Camping site.
